

5th International Conference of Chemical Engineering and Industrial Biotechnology

9–11 August 2020

**Empowering Sustainable
Technological Solution for Industry
and Society**

The entire world is struggling with the Covid-19 outbreak. ICCEIB 2020 will proceed as planned, but we have decided to switch the oral presentation to video conferencing mode. Participants may opt to present via **pre-recorded video** or **Google Meet** platform (specific links will be provided later).
